FOR A BEQUEST TO A SPECIFIC PROJECT/COUNTRY:

Because ADRA Canada's projects and location of projects frequently change in response to the needs of those we work with, bequests cannot be allocated to a specific project or country, as they cannot be assured to be operational at the time of the gift. If you still choose to designate your gift to a specific project or country, be sure to include this power to vary provision:

"If, in the opinion of the Board of Directors of ADRA Canada, it should become impossible, inadvisable, or impractical to use this gift for the specified purpose(s), then the Board may in their discretion use the gift to the best advantage of ADRA Canada, keeping in mind the original wishes of the donor. In any such alternative application, the support provided by this bequest shall be clearly identified with the name of _____."

Please note that these clauses are suggestions. When drafting your will, please review your intentions with your lawyer.
